

Excavate a medieval castle in Ireland this summer!!

Come to Ireland this summer to participate in our archaeological field school while earning academic credit for your degree!

- Explore the castles, cloisters and churches of medieval Ireland in our two-week non-excavation course
- Learn to excavate on our four-week *Introduction to Archaeological Excavation* course while participating in an important research project at a medieval castle
- Combine both courses to create an unforgettable six-week stay
- Stay in superb student accommodation in Galway City and enjoy an action-packed summer in Ireland's most vibrant city
- Enjoy small-group teaching with an expert on Irish medieval archaeology & architecture
