

# COLLEMANCIO DI CANNARA FIELD SCHOOL 2019 JUNE 2-JULY 26, 2019

**Would you like to dig in an Imperial Age Roman site?**

The Urvinum Hortense Project is guided by two main objectives. First, it seeks to build a better understanding of the topography of the ancient roman municipal, as well as its relationships with the other roman cities of Umbria (HisPELLium, Spoletium, Fulginium). Second, it aims to be a productive and stimulative place where students from all over the world can share their experiences, learn techniques and strategies of survey, excavation, archaeological stratigraphy, sampling procedures, field data collection, recording methods, documentation and report.
