HEREBY DECREES

Subject of the notice

1.1 The University of Siena hereby institutes a Summer School programme for the 2017/2018 academic year called the INTERNATIONAL SUMMER SCHOOL "ROSELLE: FROM THE ROMAN TOWN TO THE BISHOPRIC", within the Department of History and Cultural Heritage.

1.2 The main objective of the course is to educate the participants on how to work upon multi-layered urban sites, which are more complex than rural sites. The activities will therefore mainly be carried out in the field, with the professors flanking the students during the excavation phase, as well as during the documentation and interpretation of the archaeological findings. In particular, we plan to intervene upon an area characterised by a long-term presence. The training activities will also be accompanied by several hours of lectures in order to provide the students with an overview of the city of Roselle throughout its history and within the territorial context. Several tutors will assist the professors throughout the duration of the course in order to facilitate the learning process.

The Summer School programme is primarily intended for foreign university students enrolled in humanities-related degree programmes

1.3 Contact person for the course's organisation and teaching (lessons, calendar, classrooms, etc.):

- Dr. Carlo Citter, no. 56 Via Roma, 53100 Siena, Italy Tel:+39-333-650-7998 email: citter.carlo@gmail.com.

The student can pay the tuition fees on-line, even via credit card.

The payment confirmation is normally received by Esse3 (the computer system that manages the students' accounts) within 48 hours.

Once the on-line procedure has been properly completed, the student can print the registration confirmation.

The registration only becomes effective once the fee has been paid. Those who are found not to have paid the fee at the beginning of the courses will have their accounts closed due to forfeiture.

The Administration shall not bear any responsibility for any lack of communication resulting from incorrect contact information provided by the applicant or the applicant's failure or delay in providing a change of e-mail or mailing address, nor for any problems attributable to third parties, unforeseeable circumstances, or force majeure events.

Pursuant to article 75 of Italian Presidential Decree no. 445 of 28/12/2000, and without prejudice to the provisions of art. 76 in criminal matters, in the event that the verification of the declarations in lieu of certification should reveal any falsehoods contained therein, the applicant in question shall forfeit any benefits resulting from the false declaration itself.

5.2 The registration fee amounts to € **750**, excluding any additional bank fees and commissions. This amount must be paid in a single instalment, in addition to the telematic stamp duty amounting to € 16.00, which must be paid at the time of registration using the special form downloaded during the on-line procedure.

If paid using the MAV pre-printed payment slip, it is recommended to send a copy of the fee's payment to the Master's Programme and Courses Office by e-mail (master-corsi@unisi.it) or by fax in order for the
