## Archaeological Institute of America Lecturer & Host

**Dr. Tevfik Emre Şerifoğlu** is an archaeologist and Assyriologist specializing in the ancient civilizations of Anatolia and the Near East. He is the Chairman of the Şirince Archaeological Association and was formerly the Head of the Archaeology Department at Bitlis Eren University. A specialist in landscape archaeology, Emre's fieldwork

spans Cilicia, northern Mesopotamia, central Anatolia, and the Turkish Black Sea, as well as northern Iraq. After graduating from Bilkent University, he completed his MPhil and PhD at the University of Cambridge. Emre has held visiting and senior research positions at the University of Oxford (RLAHA), the University of Chicago's Institute for the Study of Ancient Cultures (ISAC), Uppsala University, the University of Leicester, The American Center of Research (ACOR) in Amman, and Koç University's Research Center for Anatolian Civilizations (ANAMED). Following a successful AIA tour of southeastern Türkiye last year, Emre is eager to return and share his firsthand knowledge of the sites and ancient terrains that define this journey. While his primary expertise lies in the Bronze and Iron Age cultures of the Near East, his deep field experience allows him to provide rich, multi-layered insights into the entire chronological evolution of the landscape, from its prehistoric foundations to its later historic eras and cultural heritage.

*"It is a pleasure to once again join the AIA on this unique itinerary. The archaeology of the vast region spanning from the Cilician plains to northern Mesopotamia and its highlands offers a rare, multi-layered look at human history that continues to inspire my work. I am eager to share my experiences and insights with our participants as we explore these extraordinary prehistoric and historic landscapes together."*

- Dr. Tevfik Emre Şerifoğlu

## Tour manager/Guide

**Onur Ertürk** graduated from Bilkent University at Ankara, where his studies focused on the ancient Near East, especially Mesopotamia, the Aegean, and Anatolia. Onur participated in several archaeological excavations and has guided hundreds of groups all around Türkiye. Thanks to his education and background in archaeology and art history, he leads cultural excursions to sites ranging from Palaeolithic caves to Seljuk caravanserais, from Lycian cities to Roman theaters, from Byzantine architectural wonders to the modern cities of Türkiye, and he is also knowledgeable about historical and modern Türkiye.

Travel with us beyond classical Türkiye, with its monumental, Greco-Roman ruins and Aegean sea backdrops. Find more history—and prehistory—amid the beauty of southeastern Türkiye, on a route less traveled, between Tarsus, the birthplace of St. Paul, and Diyarbakır, set along the banks of the famous Tigris River that helped form the cradle of civilization. Along the way you will see the world's earliest monumental temples, dating back over 10,000 years; explore excellent archaeological and mosaic museums; and enjoy diverse architecture, from beehive-style mud houses to rock tombs, and early monasteries to mosques. Enjoy local cuisine, perhaps especially during our two-night stay in Gaziantep, a city famous across Türkiye for its cuisine; and explore bazaars and workshops with local artisans and craftspeople. Our AIA lecturer is intimately familiar with this region's deep history and diverse cultures.

## Highlights include:

- **Göbekli Tepe** and **Karahan Tepe**, two prehistoric sites dating back to 9500-8000 B.C., suggesting that complex societies and monumental architecture existed well before the advent of agriculture
- The world-famous, 19-foot-tall statues and burial sanctuary of King Nimrod (Antiochus I Theos), at more than 7,000 feet above sea level in **Mount Nemrut National Park**
- **Karatepe-Aslantaş National Park**, Türkiye's first open-air museum, with well-preserved Hittite ruins and statues dating from the 8<sup>th</sup> century B.C.
- **Dara**, one of the most important trade centers of ancient Mesopotamia, featuring rock tombs dating back to the 5<sup>th</sup> century A.D.
- The flooded ancient city of **Hasankeyf** (flooded in 2020 for dam construction), whose artifacts were removed to the **Batman Archaeological Museum** that we will visit, and some of whose important structures we will visit at a new, nearby location
- **Diyarbakır**'s city walls, the second-longest on Earth (after China's Great Wall), which contain a castle and a medieval church
- Fascinating museums, such as the **Zeugma Mosaic Museum**, the world's largest mosaic museum, with exquisite Hellenistic Greek and Roman mosaics; and the **Haleplibahçe Mosaic Museum**, a domed structure protecting a Roman villa complex that was saved from a 2006 urban construction project
- An **optional, post-tour extension to Lake Van**, including visits to **Van (Tushpa) Castle**, center of the Kingdom of Urartu in the 9<sup>th</sup> to 6<sup>th</sup> centuries B.C., and the ruins of the Urartian fortress of Sarduri-Hinili at **Çavuştepe**

## ITINERARY

Breakfast=(B), Lunch=(L), Reception=(R), Dinner=(D)

### Friday, October 9, 2026: Depart home

Depart home on flights to Çukurova International Airport (COV) in southern Türkiye.

### Saturday, October 10: Tarsus, Türkiye | Transfer to Adana

Upon arrival at Çukurova International Airport (COV) near Tarsus, you will be met and transferred as a group to our hotel in Adana. The remainder of the day is at leisure in Adana, the seventh largest city in Türkiye and the oldest city in the Cilicia region, which dates back 8,000 years. The evening and dinner are at leisure. *Two nights at the 5-star [Adana Hilton SA](#).*

### Sunday, October 11: Tarsus | Adana: Clock Tower, Archaeological Museum | Welcome reception & dinner

After breakfast we drive to nearby Tarsus, the birthplace of St. Paul (born Saul), called "Paul of Tarsus" in the Bible. Despite perhaps this best-known association, American archaeologist Hetty Goldman excavated on the edge of the modern town before and after WWII, and unearthed evidence that settlements have existed there on and off from the Neolithic to Islamic eras. Our visit to Tarsus will include the St. Paul Monument Museum (The Church of St. Paul), which was originally built in the 11<sup>th</sup> or 12<sup>th</sup> century A.D. and houses beautiful frescoes. After lunch in Tarsus we drive back to Adana where we see its famous, late 19<sup>th</sup>-century Clock Tower, and then visit the Adana Museum, dedicated to archaeological finds from throughout the region. We return to our hotel and gather this evening for welcome cocktails and dinner. (B,L,R,D)

### Monday, October 12: Karatepe-Aslantaş National Park | Yesemek | Tilmen Höyük | Gaziantep

This morning we set out for Gaziantep, stopping along the way at Karatepe-Aslantaş National Park, Türkiye's first open-air museum, situated in the Taurus Mountains on the banks of the Ceyhan River. The Park has well-preserved Hittite

ruins and statues dating from the 8<sup>th</sup> century B.C. Continue on to Yesemek Quarry and Sculpture Workshop, established during the Hittite Empire in the 14<sup>th</sup> century B.C. It is the largest known stonemasonry workshop in the ancient Near East, having produced various types of sculptures that adorned the gates of Hittite cities, palaces, and temples, including sphinxes with female heads and lions’ bodies and lions, some of which were winged. Next, we stop at the mound of Tilmen Höyük, initially settled during the 4<sup>th</sup> millennium B.C. It was an important fortified city and trading center, where a massive royal palace dating to around 1800 B.C. has been excavated. After lunch we finish our drive to Gaziantep, whose cuisine—especially its pistachio baklava—is famous across Türkiye. We check-in to our hotel and then gather for dinner. *Two nights at the 5-star [Divan Hotel](#).* (B,L,D)

**Tuesday, October 13: Gaziantep: Zeugma Mosaic Museum, Gaziantep Castle**

Today we visit the Zeugma Mosaic Museum, the world’s largest mosaic museum, with exquisite Hellenistic Greek and Roman mosaics that were unearthed from Zeugma, said to have been founded by a Macedonian Greek general in the army of Alexander the Great. After lunch we will explore Gaziantep’s old city, which is centered around Gaziantep Castle. The castle has origins dating back to the Hittite period and was expanded over centuries by Romans, Byzantines, and Ottomans. We will stroll through the old bazaars and listen to the craftsmen hammering their copperware. Return to our hotel to freshen up and then gather for dinner. (B,L,D)

**Wednesday, October 14: Kahta | Mount Nemrut National Park | Adiyaman**

After breakfast we will drive three hours to the town of Kahta, near Mount Nemrut National Park. After lunch we will be wandering in the land of King Nimrod, Antiochus I Theos of Commagene. The Commagene Empire is world-famous thanks to the statues and the grave of King Nimrod at the top of Mount Nemrut National Park, 7,381 feet above sea level. First, we visit the mound of Karaus, “blackbird” in Turkish, where the family of Antiochus I Theos was buried. Our next stop will be the Severan Bridge, built in the 2<sup>nd</sup> century and recently used for transportation by the local Turkish and Kurdish community. We will ascend Mount Nemrut by minivan to visit Antiochus I Theos’ burial sanctuary, with statues over 19 feet tall. Return to our hotel and gather for dinner. *Overnight at the 4-star [Park Dedeman Adiyaman](#) hotel.* (B,L,D)

### Thursday, October 15: Göbekli Tepe | Şanlıurfa

In the morning, we set out for Göbekli Tepe, a UNESCO World Heritage Site that dates back to approximately 9500-8000 B.C. It is situated on a limestone plateau in the foothills of the Taurus Mountains. The site is characterized by large circular structures containing massive, T-shaped, limestone pillars, some of which are up to 16 feet tall and weigh up to 50 tons. These pillars are often decorated with intricate carvings of animals, anthropomorphic figures, and abstract symbols. Göbekli Tepe would have required significant organization and labor, especially considering it was built by hunter-gatherers who had not yet developed agriculture or domesticated animals. Originally interpreted as a sanctuary or ritual site, recent excavations suggest Göbekli Tepe may have been a settlement. Its discovery has led to a reevaluation of the timeline of human history and the relationship between ritual, religion, and the development of settled societies. In the village nearby, we will also visit a newly opened handicraft center that represents Kurdish, Arabic, and Turkish handicrafts, carpets, and rugs. Continue on to Şanlıurfa, where we check-in to our hotel and gather for dinner. *Two nights at the 5-star [Double Tree by Hilton Şanlıurfa](#).* (B,L,D)

### Friday, October 16: Karahan Tepe | Şanlıurfa: Archaeological Museum, Haleplibahçe Mosaic Museum

Like Göbekli Tepe, the site we visit this morning, Karahan Tepe, is another prehistoric site that suggests that complex societies and monumental architecture existed before the advent of agriculture. It contains at least 266 T-shaped pillars similar to those found at Göbekli Tepe, many featuring animals and anthropomorphic figures. What we will see at this site refers to a timeline that is 5,000 years older than Stonehenge and 7,000 years older than the Pyramids at Giza. We will also visit the Şanlıurfa Archaeological Museum and the Haleplibahçe Mosaic Museum. The latter is a domed structure that protects mosaics from a Roman villa complex that were discovered during the 2006 construction of an urban renewal project. The balance of the day and dinner are at leisure. (B,L)

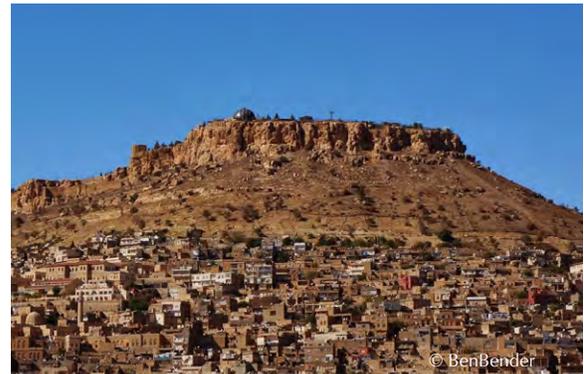

### Saturday, October 17: Harran | Mardin

Depart Şanlıurfa this morning and visit Harran, famous for its beehive-style mud houses. It is difficult to believe that this deserted place on the edge of the Syrian Desert was once a major economic, religious, and learning capital. Continue on to Mardin, a city built upon a craggy rock, facing south over the Syrian Desert. It is an important Syrian Christian center with lovely, Syrian-influenced architecture. We will see the citadel and a number of Islamic masterpieces of the 14<sup>th</sup> and 15<sup>th</sup> centuries, and stroll through the traditional neighborhood lined with very narrow passages called *abbaras*. Also visit the Kasımiye Madrassah, completed under the reign of Akkoyunlu ruler Cihangiroğlu Kasım (1457-1502), renowned for its impressive architecture. *Two nights at the 4-star [Park Dedeman Mardin](#) hotel.* (B,L,D)

### Sunday, October 18: Dara | Midyat: Mor Gabriel Monastery, local bazaars | Mardin

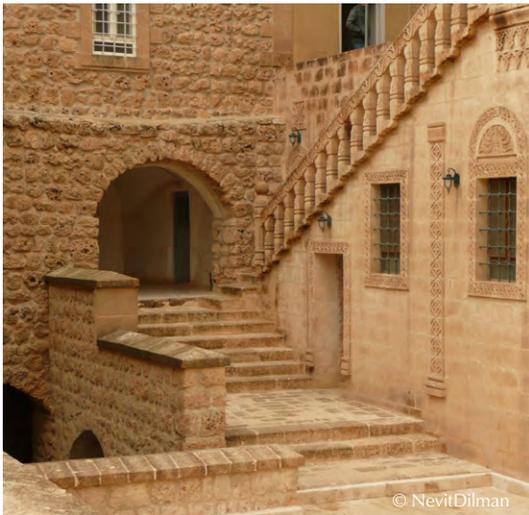

One of the most important trade centers of ancient Mesopotamia, the ruins of the ancient city of Dara feature ancient rock tombs dating back to the 5<sup>th</sup> century A.D. that have been compared to the famed city of Ephesus in western Türkiye. An important settlement along the famed Silk Road, Dara served as the last stronghold of the Byzantine Empire in southeastern Anatolia. Next we visit the city of Midyat and the Assyrians' biggest Syriac Orthodox monastery. Founded in A.D. 397, Mor Gabriel Monastery is the world's oldest surviving Syriac Orthodox monastery and the seat of the Metropolitan Bishop of Tur Abdin (Mardin). We return to the center of Midyat, where we will stroll through the bazaars and see silver craftsmen create their world-famous filigree. Return to our hotel in Mardin, where dinner and the evening are at leisure. (B,L)

### Monday, October 19: Diyarbakır: City walls, Diyarbakır Castle, Grand Mosque, Church of the Virgin Mary

Set out this morning on a drive to Diyarbakır, one of the largest cities in southeastern Türkiye, situated on the right bank of the Tigris River. We will first stop at Diyarbakır's city walls, the second-longest city walls on Earth after the Great Wall of China. Diyarbakır's Castle houses a museum of archaeology and ethnography, a medieval church, and a café with breathtaking views of the Tigris basin. After exploring the inner castle, we will enter the old city to visit the Grand Mosque, which was built in 1091. It is among Türkiye's largest mosques and can accommodate 5,000 worshippers. Also visit one of Diyarbakır's old houses, built in a square plan with a garden in the center, using the basalt stone of nearby Karaca Dag, a volcanic mountain. Stroll Diyarbakır's narrow streets to reach a caravanserai, used as a social center in the middle of the old city, and see an interesting minaret standing in the center of the street that is built on top of four columns. A short walk will take us to the Church of the Virgin Mary, which belongs to the small Assyrian minority of the city. We check-in to our hotel and then gather for dinner this evening. *Two nights at the 4-star [Ramada Wyndham Diyarbakır](#) hotel.* (B,L,D)

### Tuesday, October 20: Batman: Batman Archaeological Museum | Hasankeyf | Diyarbakır | Farewell dinner

This morning we drive 1.5 hours to Batman and visit the Batman Archaeological Museum, whose three exhibition halls showcase approximately 450 artifacts, including a collection from the ancient Paleolithic and Neolithic periods, pieces excavated from the Ilisu Dam construction, and items from the ancient city of Hasankeyf, a site we will visit this afternoon. After lunch we drive to Hasankeyf, located on a sheer rock that was eroded by the Tigris River and thought to be one of the world's oldest continuously inhabited communities, dating back more than 12,000 years. The ancient city of Hasankeyf was flooded in 2020 to allow construction of the Ilisu Dam, so today the majority of the ancient city is underwater. Important structures were moved away from the reservoir area and are exhibited in the newly built museum's garden. Here we visit the Zeynel Bey Tomb, El Rızık Mosque, and the Hasankeyf Museum near the newly constructed town of Hasankeyf. Return to our hotel in Diyarbakır to freshen up before we gather this evening for a farewell dinner hosted by our lecturer and guide. (B,L,D)

### Wednesday, October 21: Fly home OR join the post-tour extension

Transfer as a group this morning to Diyarbakır Airport (DIY) for flights homeward or begin the post-tour extension. (B)

## TERMS AND CONDITIONS, RELEASE OF LIABILITY, ASSUMPTION OF RISK, AND DISPUTE RESOLUTION AGREEMENT

**RESPONSIBILITY:** The Archaeological Institute of America and its agent, Eos Study Tours, and its and their employees, shareholders, subsidiaries, affiliates, officers, directors or trustees, successors, and assigns (hereinafter "Sponsors"), and the tour operator and/or its agents (collectively "Sponsors/Operator") do not own or operate any entity which is to or does provide goods or services for your trip including, for example, lodging facilities; airline, vessel, or other transportation companies; guides or guide services; local ground operators; providers or organizers of optional excursions; food service or entertainment providers; etc. All such persons and entities are independent contractors. As a result, Sponsors/Operator are not liable for any negligent or willful act or failure to act of any such person or of any other third party. In addition and without limitation, Sponsors/Operator are not responsible for any injury, loss, death, inconvenience, delay, or damage to person or property in connection with the provision of any goods or services whether resulting from, but not limited to, acts of force majeure; acts of God; acts of government; acts of war or civil unrest, insurrection, or revolt; bites from or attacks by animals, insects, or pests; strikes or other labor activities; criminal or terrorist activities of any kind or the threat thereof; sickness, illness, epidemics, pandemics, or the threat thereof; the lack of availability of or access to medical attention or the quality thereof; overbooking or downgrading of accommodations; mechanical or other failure of airplanes, vessels, or other means of transportation; or for any failure of any transportation mechanism to arrive or depart timely or safely. In addition, Sponsors/Operator are not liable for their own negligence, and participant assumes all risk thereof. **CHANGES IN ITINERARY OR FEATURES:** Sponsors/Operator reserve the right to change the itinerary or trip features at any time and for any reason, with or without notice, and Sponsors/Operator shall not be liable for any loss of any kind as a result of any such changes. Sponsors/Operator are not required to cancel any trip for any reason including, without limitation, United States Department of State, World Health Organization, or other Warnings or Advisories of any kind. Sponsors/Operator are not responsible for penalties assessed by air carriers resulting from operational and/or itinerary changes, even if Sponsors/Operator make the flight arrangements or cancel the trip. Sponsors/Operator reserve the right to substitute hotels or attractions of a similar category for those listed in this brochure. **LUGGAGE:** Luggage allowance policies are set by the airlines and may change without prior notice. **PHYSICAL ACCESSIBILITY:** All programs require physical independence and mobility. Any physical or mental condition that may require special medical attention or physical assistance must be reported in writing when you make your reservation. Participants must be able to embark or disembark transportation vehicles, stand for extended periods, climb stairs, and step over raised thresholds all without assistance. All participants will be required to follow safety/sanitization protocols set forth by Sponsors/Operator, local staff, and host country laws, and any participant who refuses to follow protocols may be asked to leave the program with no refunds provided. **REFUNDS:** Prices quoted are based on group participation. No refunds will be made for any part of the program in which a participant chooses not to participate. Refunds cannot be made to participants who do not complete the tour for any reason, nor to participants whose entry into any country or aboard any transportation vehicle, including airplanes and cruise ships, is delayed or denied. **TOUR CANCELLATIONS AND REFUNDS:** Sponsors/Operator reserve the right to cancel this tour prior to departure, in which case payment will be refunded without further obligation on our part unless trip cancellation, itinerary changes, and/or delays are mandated by causes beyond our control, in which case the participant shall have the option of accepting in lieu of the original tour such rescheduled tour or other substituted tour(s) as may be offered by Sponsors/Operator, or else receiving a refund of as much of such advance tour expenditures as Sponsors/Operator are able to recover on the participant's behalf from carriers, third-party tour vendors, etc. Sponsors/Operator, however, shall not have any obligation or liability to the participant beyond the foregoing. **TRIP INSURANCE:** Sponsors/Operator strongly recommend that participants purchase trip cancellation insurance. In the event that you must cancel your participation, trip cancellation insurance may be the only source of

reimbursement. Trip cancellation insurance is available through Sponsors/Operator and others and covers certain expenses in conjunction with cancellation due to illness or accident and damaged or lost luggage. Sponsors/Operator will send participants an application upon receipt of their reservation. **PRICES:** Prices quoted are based on fares in effect at the time of publication and are subject to changes at any time. On all programs, even after full payment, Sponsors/Operator reserve the right to increase the tour price in the event of cost increases due to changes in supplier costs, tax increases, currency fluctuations, or fuel and energy surcharges, and all such increases are to be paid to Sponsors/Operator upon notice to the participant. **FORUM AND METHODOLOGY FOR DISPUTE RESOLUTION:** Any dispute or claim which refers or relates to this contract, any literature related to the trip, or the trip itself shall be litigated solely and exclusively in and for courts in Keene, New Hampshire, subject to substantive and procedural New Hampshire law, and for this limited purpose, the parties agree to exclusive venue and personal jurisdiction therein. At the participant's option, however, in lieu of litigation, Sponsors/Operator will agree to binding arbitration in Keene, New Hampshire, subject to substantive, but not procedural, New Hampshire law, pursuant to the then existing commercial rules of the American Arbitration Association. In any such arbitration, the arbitrator, and not any federal, state, or local court or agency, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, conscionability, or formation of this contract, including but not limited to any claim that all or any part of this contract is void or voidable. **U.S. STATE DEPARTMENT & CENTERS FOR DISEASE CONTROL:** Both the Centers for Disease Control and U.S. State Department publish and update important country-specific information for travelers. We strongly recommend that you review them. They can presently be found at: <https://wwwnc.cdc.gov/travel/notices> and <https://travel.state.gov/content/passports/en/alertswarnings.html>. **ASSUMPTION OF RISK:** Participants agree to fully accept all known and unknown risks, including the potential risk of exposure to respiratory illnesses or other illnesses, viruses, diseases, or conditions. Participants understand and agree to hold Sponsors/Operator, their officers, vendors and suppliers harmless and not liable for any real or perceived symptoms of any disease, virus, illness, or condition, nor for exacerbating any existing symptoms of any illness, virus, disease or condition, quarantine requirements, disability, and other short-term and long-term health effects, including death. **MISCELLANEOUS:** Participants should not purchase airline tickets prior to receiving their final payment invoice so as to avoid airline cancellation penalties if a tour is canceled or otherwise modified subsequent to the participant's purchase of those tickets. Baggage and personal effects are at all times the sole responsibility of the participant. If weather, flight schedules, or other uncontrollable factors, such as those related to customs and immigration, require you to spend (an) additional night(s), you will be responsible for your own hotel, transfer, and meal costs. Sponsors/Operator reserve the right to decline to accept or retain any participant at any time. The right is reserved to decline to accept as a participant, or remove from a trip, without refund, any person it judges to be incapable of meeting the rigors and requirements of participating in the activities, or who is abusive to other trip participants, leaders, or third parties, or who is determined to detract from the enjoyment of the trip by others. Specific room assignments are within the sole discretion of the hotel. **APPEARING IN PHOTOS:** Photos from AIA Tours' trips may be posted on photo-sharing web sites or on social networking sites. Your likeness may appear in some photos or videos, posted either by other travelers or tour lecturers/guides, and the circulation of the materials could be worldwide. Trip photos may also be selected to appear in future AIA Tours promotions; no compensation is available for appearing in a trip photo used for promotional purposes. **ACCEPTANCE OF CONTRACT:** By forwarding of deposit, the participant certifies that he/she agrees with these terms and conditions, and accepts the terms contained in these Terms and Conditions, Release of Liability, Assumption of Risk and Dispute Resolution Agreement. The participant affirms that he/she has not received or relied upon any oral representation of Sponsors/Operator as a basis for executing this Release.
