This is a nod to our English speaking collaborators.

Did you know that there’s more than one way to spell arch(a)eology in English? And some people feel very strongly about their preferred spelling!

International Archaeology Day!
#IAD2020 #WhyArchaeology

We may not be able to have International Archaeology Day in person this year, but we’re still celebrating virtually! #IAD2020

#Archaeology gives us a tangible glance at the past #WhyArchaeology #IAD2020

#Archaeology was not written by the victors. The archaeological record includes everyone’s contributions. #WhyArchaeology #IAD2020
