Summer School Aguntum
Archaeological Field School

What are we doing?
The field school aims to train students in archaeological excavation and related themes such as:
- Excavation Methods
- Stratigraphy
- Excavation Photos
- Surveying and Mapping
- Geo-Archaeology
- Processing of finds
- Building techniques and preservation

Where will it take place?
The field school will take place in the Roman town Aguntum near modern Lienz, Austria. The town became a municipium during the reign of emperor Claudius and was inhabited at least until the 5th century AD. Currently we are excavating the Forum Area of the town.

When will we start?
The excavation will last for 7 weeks in July and August 2021. The field school will take place from 19.07.2022 to 25.08.2022 (4 weeks).

How much will it cost?
The costs are 1.800 Euros p. P. for four weeks. These are not including transfer and accomodation. The latter can be organized on site for a reasonable price.

Application
is possible via the website of the University of Innsbruck:
