__________________________________________________________________________
__________________________________________________________________________

Suggestions for improving the AIA Lecture Program:
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Speakers you would recommend to the Lecture Program Committee (please indicate name, address, telephone number, e-mail address and whether or not you have heard them speak):
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Please complete this form and return it to the AIA Lecture Coordinator (Lectures@archaeological.org) with your W9 form (or W8BEN if not a U.S. citizen) promptly after your lecture, it is required before your honorarium can be paid. We ask that you be candid in answering the questions about the societies you have visited, the information you provide is useful for the continual improvement of the AIA Lecture Program.

Thanks very much for your help, and for participating in the Lecture Program this year!
