

WHAT WILL YOU DISCOVER

Udig: Stanwick Hall

AN IMMERSIVE EXPERIENCE

Udig is offering places on this exciting and fully immersive research training excavation at a multi-phase Saxon-to-late post-medieval site. Your experience as part of the team will involve a 'hands-on' approach to learning all of the basics of on-site archaeological processes from excavation through to post-excavation. This will involve getting your hands dirty in the trenches, discovering finds, drawing and photography and helping to clean and record all finds from the excavation. With your help, we will produce an end of season report on your findings, published for all to read.

LIVE AS AN ARCHAEOLOGIST

Live as an archaeologist and as well as free on-site camping, we'll provide three meals a day and inspiring speakers on a whole range of exciting archaeological topics. A limited number of hotel rooms will be available for rental, as well as on-site single and twin en-suite sleeping pods. Showers and toilets are supplied for all campers.

WE WANT YOU

The dig will run from May to September 2024 and places are limited to 30 team members per week. We want enthusiasts of all ages and participants aged 8+ can attend. This exciting offer is open to all from home and abroad.

BOOK EARLY

We recommend booking early as places are limited and will be allocated on a first come, first served basis. Early bookers will receive a discounted rate and a free tool bag (until the 15th February 2024).
