**Please include the cost of additional hotel nights and transfers in your final payment check.**

Please note that these hotel rates may not represent the lowest available price as hotels and third-party sellers such as Expedia, sometimes offer special online discounts not available to groups. If you elect to make your own additional hotel reservations, please make sure it is in the same category room so that you will not be required to switch rooms when the group reservation begins. Please include the information so that we can make sure your reservation is linked with the group reservation.
