

# ARCHAEOLOGICAL FIELD SCHOOL IN BRITISH COLUMBIA (ANTY 467)

Department of Anthropology, The University of Montana

**Dates: May 13-June 18 2020**

Professor: Dr. Anna Marie Prentiss

**SEVEN UM CREDITS;** No prior archaeological field experience required.

Participate in excavation at the famous **Bridge River Housepit Village**, located near Lillooet, British Columbia. The course will offer a diverse array of opportunities for participation in excavation, remote sensing, and mapping.

An estimated course fee of about \$3480 covers 7 UM upper division credits, lodging, meals, some in-country travel, and some course materials costs. Students are also responsible for personal expenses and travel to the field site though some car-pool options will be arranged.

The Bridge River Archaeological Project is a partnership of the University of Montana and Xwísten, the Bridge River Indian Band. Research in 2020 is partially funded by the National Science Foundation.
